

COUNTRY OF ORIGIN CERTIFICATION

TO: ALL PERICOM SEMICONDUCTOR CUSTOMERS

Pericom certifies that the Pericom material used to fulfill your purchase order was assembled in one or more of the countries noted below, at a Pericom approved ISO9002 and ISO14001 registered subcontract facility. We also certify that the material is in conformance with the Purchase Order and standard Pericom product specifications. Documentary evidence in the form of test and inspection reports is on file.
