TITLE

Conversion to Diodes Incorporated standard product labels and shipping boxes for products currently using Lite-On Semiconductor product labels and boxes

DESCRIPTION OF CHANGE

Diodes Incorporated (Diodes) on 11/30/2020 announced the completion of its acquisition of Lite-On Semiconductor.

As part of the integration of Lite-On Semiconductor into Diodes this PCN is being issued to notify customers that Diodes is in the process of standardizing and changing from Lite-On Semiconductor product and shipping labels and boxes to the Diodes standard for labels and boxes affecting all former Lite-On Semiconductor products.

Products currently using the Lite-On Semiconductor label format or boxes will ship until supply is exhausted. During an interim transition period, some shipments may also have both labels attached.

Please refer to the label examples for the Lite-On Semiconductor product label and the Diodes standard product labels below.

Example of Lite-On Semiconductor Label:

Examples of Diodes Labels:

Shipping boxes will change from displaying Lite-On to Diodes company logos.

For further information about Diodes 'Product Label Specifications' and 'Product Carton Specifications', please refer to:

<https://www.diodes.com/design/support/packaging/diodes-packaging/>

IMPACT

Product and shipping labels and boxes.
 No impact to form, fit, or function of actual components.
 No change to device top marking, packing quantities, or orientation on reels.

PRODUCTS AFFECTED

All former Lite-On products.
